

Heanton Lea Gardens is situated off the A361 between Chivenor and Brauton. The development comprises a mix of 56 two, three and four bedroom open market properties, and 24 affordable properties.

The properties are constructed in a traditional manner with brick, render and cladding to the external elevations. Internally, the properties have excellent room proportions and are finished to a high, crisp, modern specification.

Within the development there are areas of public open space and footpaths. To the North of the development is an additional area of woodland planted with native species and left as a wildlife habitat. These areas will be maintained by a management company which all property owners will be a member of and contribute towards.

The Local Area

Nearby is the local village of Braunton which sits at the centre of the North Devon Area of Outstanding Beauty, including the fertile low-lying Braunton Great Field and Braunton Burrows the core area in the North Devon Biosphere Reserve and the largest sand dune system in England.

In recent times Braunton has become a hub for surfing enthusiasts as the main road takes you to three of the South West's best surf beaches of Saunton, Croyde and Woolacombe. There are also walking links to The South West Coast Path and The Tarka Trail which pass through the village.

Braunton itself offers everything you need from shopping facilities, churches, public houses, banks, schools, sporting clubs, art galleries, museums and much more.

About Chichester Developments

Founded in 1993 on the simple principle of building quality homes in desirable locations, Chichester Developments has evolved and changed, but this ethos is still at the heart of the business today and has resulted in an enviable reputation in the area.

The company has a strong team of key employees whose task it is to deliver carefully designed, quality homes to suit modern lifestyles. The team takes pride in its developments and has maintained an excellent reputation and record with NHBC and LABC.
